

Killer History, 2012, Marek McKenna, 0985048204, 9780985048204, Edna Brady  
Enterprises, LLC, 2012

Killer History provides a funny and irreverent look at the past. We explore the more human side of the historical events and history makers. Killer history examines how excessive presidential drinking nearly caused World War III, a mass murderer's trial that was too obscene for Jesus, the scandals of the Grant Administration, the baby daddy scandal that did not sink a US presidential election.
